

REPUBLIC of NICARAGUA  
NATIONAL POLICE

**Measures and Actions  
taken by the Police to  
protect women from  
violence**

**Our Model is Revolutionary**

**Since its foundation, the National Police created a different model**

**More Social than Policing**

**THE ACTIONS AND STRATEGY TO PROTECT WOMEN FROM VIOLENCE follow our Model of Policing**

**Directed to answer the necessities of this sector of the Nicaraguan Population, where women represent 51%**

**Public Policy  
of our Good  
Government  
of  
Reconciliation  
and National  
Unity**

**Contribute to  
the  
transformation  
of relations of  
equality  
between men  
and women**

**What do  
we focus  
on?**

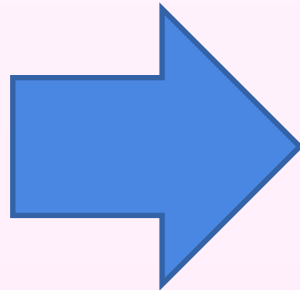

**Focus on  
Prevention  
in the  
Family**

**Integral**

## The Planning of the National Police of Nicaragua

Alignment of the National Struggle against Poverty and for human development 2022-2026

Alignment #5 refers to Equality of Gender

253 Women's Police Stations at the national level, with presence in all 153 municipalities in the country

Reception  
of  
complaints

210,954 visits  
door to door

Campaigns  
to inform and  
sensitize  
about  
violence  
against  
women

**Application  
of the law**

**Attend, listen  
to, and  
accompany  
women on the  
road to justice**

**Permanent  
training for  
the National  
Police to  
attend to the  
theme of  
violence  
against  
women**

**Women's  
Dignity and  
Rights**

**Families  
safe at  
home**

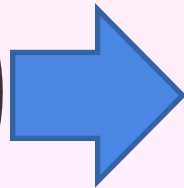

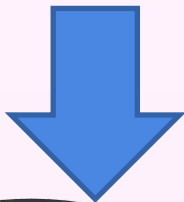

**Family Hope  
Security  
and Peace**

**Loving care  
of children**

**The Police Station for Women and Children, as part of the National Commission for a Harmonious Life, has fortified the integral and human attention for women in a situation of violence.**

**The effective answer to the 13 cases of femicide in 2023, which have been solved and the perpetrators turned over to the Public Ministry**

The success of the actions and strategies around the theme of Prevention of Violence against Women

Is owed to

The Political Will, the Dedication of our Good Government, to its Christian, Socialist, and Solidarity model, that through the National Police is developed from the Person, the Family, the Community, and that each member of our Institution assumes with dedication to Nicaraguan Families.

**TOGETHER WITH THE COMMUNITY  
COMMITTED TO YOUR SECURITY**
